

Mid-Level Architect

Position: Two Mid-level Project Architects - Austin

Firm Name: Studio8 Architects

Contact Name: Laurel Dundee

Contact Email: ldundee@studio8architects.com

Studio8 is seeking two project architects to join our Austin team. Candidates should have the following experience and skills:

- 5-8 years of experience in the design and technical development of a variety of commercial projects
- Proficiency in Revit, AutoCAD and other design software
- Extensive knowledge of architectural documentation, detailing, building materials, building codes, and construction technologies
- Strong project management skills and the ability to effectively lead a team of junior architectural designers
- Ability to work through fast paced projects
- Exceptional graphic and presentation skills
- Strong communication and client relationship skills
- Collaborative and a good team player with a positive attitude.

Studio8 Architects is a full-service architecture and interior design firm founded in Austin in 2003. They are comprised of 37 creatives, strategists and thinkers solving architectural challenges, designing interiors and creating master plans. They are experts at pairing people with places; known for process over style.

Studio8 offers comprehensive benefits, a quality work environment and competitive salary commensurate with experience.

Qualified candidates may email resumes, portfolio and references to Laurel Dundee at ldundee@studio8architects.com
