

Studio8 is 38 creatives, strategists and thinkers solving architectural challenges, designing interiors and creating master plans. We are experts at pairing people with places; known for process over style. You can find us at our grand old house in downtown Austin or at our studio in San Antonio. If the weather is right, we may be outside on the porch, sharing stories with clients.

Project Interior Designer

Studio8 Architects, an Architecture, Interior Design and Planning firm with offices in Austin and San Antonio seeks a design conscious interior designer with 2-5 years of experience for their Austin office.

Individual shall have a minimum of 2 years of experience in the design and technical development of commercial projects such as corporate office, labs, retail, hospitality, food service, and higher education.

Proficiency in AutoCAD and Revit, good organization, and strong graphic skills are required. Designer must have the ability to effectively lead a team of design professionals and maintain a poised demeanor with solution based conflict resolution. In addition, candidate must possess strong presentation experience and capability.

Firm offers comprehensive benefits, quality work environment and competitive salary commensurate with experience.

Qualified candidates may email resumes, portfolio, and references to Laurel Dundee at ldundee@studio8architects.com
