

Interior Designer - Mid-Level

Gensler is a global architecture and design firm grounded in the belief that design strategy optimizes business performance and human potential. Our 5,000+ practitioners networked across 45+ offices use global perspective and local presence to innovate at every scale. Whether we are refreshing a retailer's brand, planning a new urban district, or designing a super tall building, we strive to make the everyday places people occupy more inspiring, more resilient, and more impactful.

Your Role

As a Gensler **Interior Designer**, your job is to combine creativity and technical knowledge with business skills and understanding to produce functionally beautiful spaces for clients. You have exceptional design skills, a background in architecture or design, and a portfolio of innovative design concepts. With you as part of the design team, interiors have never been so engaging.

What You Will Do

- Perform interior design assignments that include programming client needs, conceptual design, schematic design, design development, space planning and construction documentation
- Participate in the selection and presentation of furniture, furniture systems, fabrics, equipment (FF&E), color palettes, and lighting
- Generate finish plans, specifications, and material selections needed for construction
- Provide design support and documentation during completion and execution of design concepts
- Work with external consultants, product representatives, furniture dealers, and fabricators

Your Qualifications

- Bachelor's degree in Interior Design or related field from an accredited school
- 5+ years of interior design experience
- Proficient in AutoCAD, SketchUp, Revit, 3D, Rhino, Grasshopper, and other modeling software programs
- Proficient in Adobe Creative Suite applications (Photoshop, Illustrator, InDesign)
- Knowledge of furniture, finishes, materials, color selections, and specifications
- Graphics and visualization skills to effectively communicate design ideas
